Frequently Asked Questions

Do I need approval? Check the council web page to review tree pruning or removal details.

Development Applicants: A separate approval to remove a tree may not be necessary – contact our <u>Customer Service Centre</u> to clarify before completing this form.

Do I have the right to appeal against a decision made by the Tree Management Officer? If you are not satisfied with the decision of the Tree Management Officer, you may request that the Council's Manager of Parks & Open Space review this decision.

Review of TMO Determination: \$250.50 (AP/TP): You may also elect at any time to have the matter heard before the Land and Environment Court if you are dissatisfied with the way Council has dealt with your application. Accompanied by new information in the form of an Arborist report prepared by a level 5 Arborist or Structural Engineer report not available to the Tree Management Officer at the time.

What are my options if I want to prune a tree on my neighbor's property? You may lodge an application with Council for inspection of a neighbor's tree however any approval for work considered appropriate will be sent to the trees' owner(s).

Disputes: It is not the role of Council to intervene in neighborhood disputes regarding trees. Conflicts may be resolved through the Community Justice Centre or, once all other attempts to resolve the matter have been exhausted, an application may be lodged with the Land & Environment Court for resolution under the Trees (Disputes between Neighbor's) Act 2006.
